

REGMED EUROPE

THE EUROPEAN BIOMATERIALS
AND
REGENERATIVE MEDICINE
MATCHMAKING EVENT

**FRIDAY
JUNE 3RD
PARIS 2022**

SAVE THE DATE

In the framework of the Interreg NWE project BONE, Medicen Paris Region organises together with Enterprise Europe Network and its partners a dedicated one day match-making event in the field of biomaterials and regenerative medicine.

Friday June 3rd 2022
Cité Internationale Universitaire de Paris,
17 boulevard Jourdan, 75014

Why participate?

- Get information about the ongoing regenerative medicine issues
- Learn about the major European ecosystems
- Get the chance to present your innovative projects
- Meet the European actors in your field and build international partnerships

Target audience

Companies, universities, research organizations and patients associations from Europe and beyond

Main topics: cell therapy, gene therapy, biomaterials and tissue engineering
